How We Use the Information We Collect

The Personal Information we collect and the practices described above are done in an effort to provide you with the best experience possible, protect you from risks related to improper use and fraud, and help us maintain and improve.

For use in research studies, Researchers and their authorized users may collect, access, store, and utilize your Personal Information pursuant to each individual Researcher's Informed Consent procedures applicable to each study in which you provide explicit consent to participate.

We may use your Personal Information to:

- **Provide you with the Colliga Apps Service.** Colliga Apps uses your Personal Information to provide you with our Colliga Apps Service pursuant to the terms of our Participant Terms of Service: https://colliga.io/wp-content/uploads/2022/10/colliga_participant_service_agreement_rev_10.5.2022.pdf
- **Comply with legal and regulatory requirements.** Colliga Apps processes your Personal Information as required by applicable laws and regulations.
- **Protect the security and integrity of the Colliga Apps Service.** Colliga Apps uses your Personal Information to further enhance our data security practices.

- **Provide you with customer support.** Colliga Apps processes your Personal Information anytime that you reach out to Customer Support (contact@colligapps.com) with issues arising from your use of the Colliga Apps Service.
- **Optimize and enhance the Colliga Apps Service.** Colliga Apps uses your Personal Information to understand how the Colliga Apps Service is being used to help us improve the Colliga Apps Service.
- **Other business purposes.** Colliga Apps may use your information for additional purposes if that purpose is disclosed to you before we collect the information or if we obtain your consent.

How We Share the Information We Collect

Colliga will not share your Personal Information with third parties, except as described below.

- **Researchers.** Colliga Apps may share your Personal Information with third party Researchers and their authorized users in accordance with our Participant Terms of Service.
- **Third-Party Colliga Apps Service Providers.** Colliga may share your Personal Information with third-party service providers for business or commercial purposes. Your Personal Information may be shared so that they can provide us with services, including identity verification, fraud detection and prevention, security threat detection, payment processing, customer support, data analytics, Information Technology, advertising, marketing, data processing, network infrastructure, storage, transaction monitoring, and tax reporting. Colliga Apps may share your Personal Information with these service providers only so that they can provide us with services, and we prohibit our service providers from using or disclosing your Personal Information for any other purpose.
- **De-Identified Information.** If you opt in to share your de-identified personal information, Colliga Apps may make this de-identified information publicly available for research purposes.
- **Law Enforcement.** Colliga Apps may be compelled to share your Personal Information with law enforcement, government officials, and regulators.
- **Corporate Transactions.** Colliga Apps may disclose Personal Information in the event of a proposed or consummated merger, acquisition, reorganization, asset sale, or similar corporate transaction, or in the event of a bankruptcy or dissolution.
- **Professional Advisors.** Colliga Apps may share your Personal Information with our professional advisors, including legal, accounting, or other consulting services for purposes of audits or to comply with our legal obligations.

- **Consent.** Colliga Apps may share or disclose your information with your consent.

If Colliga Apps decides to modify the purpose for which your Personal Information is collected and used, we will amend this Privacy Policy.

Third Party Applications, Technologies and Websites

Colliga may work with or otherwise integrate with third-party applications. Currently, Colliga may collect personal information through applications and/or technologies of the following third parties:

- Apple Healthkit: https://developer.apple.com/documentation/healthkit/protecting_user_privacy

Colliga Apps does not have any legal or other responsibility for your use of these applications, technologies, and/or websites. Please review the privacy policies of these third-party applications, technologies, and/or websites to understand your rights and responsibilities for use of these applications, technologies, and/or websites.

Cookies

When you access the Colliga Apps Service, we make use of the standard practice of placing tiny data files called cookies, flash cookies, pixel tags, or other tracking tools (herein, “Cookies”) on your computer or other devices used to visit the Colliga Apps Service. We use Cookies to help us recognize you as a customer, collect information about your use of the Colliga Apps Service to better customize our Colliga Apps Service and content for you, and collect information about your computer or other access devices.

Please note that if you reject cookies, you will not be able to use some or all of the Colliga Apps Service.

Children’s Privacy

The Colliga Apps Service is intended for general audiences and is not directed to children under the age of 13. We do not knowingly collect personal information from children under the age of 13 whose parents have not signed express, verifiable parental consent to engage in a research study. If you become aware that a child has provided us with personal information without parental consent, please contact us at contact@colligaapps.com. If we become aware that a child under the age of 13 has provided us with personal information without parental consent, Colliga Apps takes steps to remove such information and terminate the child’s account.

Colliga Apps complies with the Children’s Online Privacy Protection Act (COPPA) when its applications are used in research studies involving children under the age of 12. Colliga Apps maintains a distinct policy regarding COPPA, which can be found at:

https://colliga.io/wp-content/uploads/2022/10/colliga_coppa_policy_rev_10.5.2022.pdf

Security

No security is foolproof, and the Internet is an insecure medium. We cannot guarantee absolute security, but we work hard to protect Colliga Apps and you from unauthorized access to or unauthorized alteration, disclosure, or destruction of Personal Information that we collect and store.

Deletion of Your Data

Colliga Apps respects your right to delete your data. You may submit a request that Colliga Apps delete the personal information that we have about you by emailing contact@colligaapps.com. Colliga Apps does not have the ability to delete any de-identified information.

Updates to This Privacy Policy

Colliga Apps may revise this Privacy Policy from time to time. The most current version of the Privacy Policy will govern our collection, use, and disclosure of information about you and will be located at <https://colliga.io/all-policies/>

If Colliga Apps makes material changes to this Privacy Policy, we will notify you by email or by posting a notice on our website prior to or on the effective date of the changes. By continuing to access or use the Colliga Apps Service after those changes become effective, you acknowledge the revised Privacy Policy.
